

Celebration of **DISCIPLINE** A Corporate Study

We began 2024 with a week of prayer and fasting, and we spent each day praying for different components of a vibrant, healthy Church to be developed in us individually and corporately! To continue the momentum, and to give the Holy Spirit our continued focus and desire to have His perfect work in us, we decided to read through the book *Celebration of Discipline: The Path Toward Spiritual Growth* by Richard Foster together as a church family.

We believe this season can be transformational...and we're going *all in...together!*
